

START WITH WHY

How Great Leaders Inspire
Everyone to Take Action

SIMON SINEK

He was a 43-year-old leader sworn in on a cold January day. Standing beside a famous general, he led a nation defeated in war. He was a Roman Catholic.

We make assumptions. When we assume, we fail.

SAMUEL PIERPONT LANGLEY

- \$50,000 War Dept Grant
- Harvard Faculty
- Friends with Carnegie & Bell
- Dream Team

~~FAILURE~~

ORVILLE & WILBUR WRIGHT

- No Funding
- Bicycle Shop Proceeds
- No College Education
- Working in Obscurity

FLIGHT (Dec 17, 1903)

CORRECTION

DESIGN

There are those who manipulate the door to fit,
and there are those who start from somewhere very different.

THERE ARE ONLY TWO WAYS TO INFLUENCE HUMAN BEHAVIOR

MANIPULATION

Price, Promotions, Fear,
Peer Pressure

INSPIRATION

Loyalty, Trust, Purpose

PRICE IS LIKE HEROIN

Dropping the price buys a transaction, but it costs you a client.
Welcome to the realm of commodities.

PROFITING FROM FAILURE

BREAKAGE:

The % of customers who fail to redeem.

SLIPPAGE:

The % of customers who never cash the check.

Promotions are a tax on the disorganized.

FEAR

“When fear is employed, facts are incidental.”

ASPIRATIONS

6 Steps to a Happier Life

Tempting us with the person we wish we were.

PEER PRESSURE

4 out of 5 Dentists Prefer... We fear being wrong more than we trust the experts.

NOVELTY IS NOT INNOVATION

- Metal Casing
- Chemically Etched Keypad
- Thin Profile

SHINY OBJECT

Real innovation changes how an industry functions. Novelty just fades.

THE TRANSACTION VS. THE RELATIONSHIP

POLICE REWARDS

Perfect for one-time transactions. Carrots and sticks work here.

LEADERSHIP

Requires a lifetime of support. Manipulation fails here.

Do you want a one-night stand or a marriage?

THE COST OF THE STATUS QUO

Manipulations increase stress for the buyer (too much choice) and the seller (constant invention).

AN ALTERNATIVE PERSPECTIVE

A naturally occurring pattern of influence.

THE GOLDEN CIRCLE

THE GOLDEN CIRCLE

THE STANDARD APPROACH

We communicate from
the **clearest thing** to the
fuzziest thing.

Here is our law firm (**What**).
We have the best lawyers (**How**).
Hire us.

THE INSPIRING LEADER

Inspired leaders think, act, and communicate **from the inside out.**

This talks directly to the **part of the brain** that controls behavior.

THE APPLE WAY

WHY: Everything we do, we believe in challenging the status quo. We believe in **thinking differently**.

HOW: The way we challenge the status quo is by making our products beautifully designed, simple to use, and user-friendly.

WHAT: We just happen to make great computers.

Want to buy one?

PEOPLE DON'T BUY WHAT YOU DO; THEY BUY WHY YOU DO IT.

DELL

Dell defines itself by
WHAT (Computers).

APPLE

Apple defines itself by WHY
(Challenging Status Quo).

The Wright Brothers didn't have the money. They had the Why.

Langley had the What. He quit the moment he was beaten. He was in it for the result, not the purpose.

THERE ARE LEADERS AND THERE ARE THOSE WHO LEAD.

Leaders hold a position of power. Those who lead inspire us. We follow them not because we have to, but because we want to.

START WITH WHY.
