

# A Student Exchange Disaster

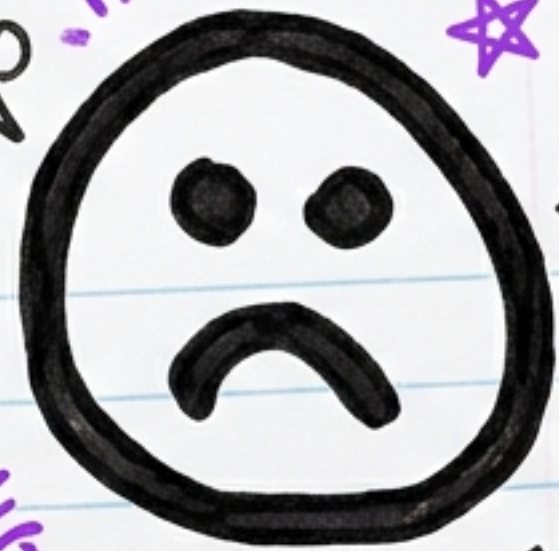

If found, please return  
to ME for REWARD!  
(NO SNOOPING ALLOWED!!!) ☹️

MONDAY, MAY 5 — 7:15 A.M.

NOOOOOO!!

I CAN'T believe this is actually happening to me!!

Destination: North Hampton Hills International Academy.

The Vibe: A twist between Hogwarts and a five-star luxury hotel. Outstanding students. Chic uniforms. Rigorous academics.

Most students would give up their CELL PHONES to attend.

So WHY am I totally FREAKING OUT?!! ?!

# THE DRAMA QUEEN RETURNS

Because **North Hampton Hills** is where **MacKenzie Hollister** transferred to!

Calling her a mean girl is an understatement.

She is a **RATTLESNAKE** in lip gloss, hoop earrings, and blond hair extensions.

I have no idea why she **HATES** my **GUTS**, but she does.

# Rap Sheet?!?

## MY LIFE IS A DRAMAFEST

In just the past month, she has:

- ☐ Slammed me in the face with a dodgeball.
- ☐ Stolen my diary.
- ☐ Hacked into my newspaper advice column.
- ☐ Accused me of cyberbullying \*her\*.
- ☐ Pretended to be ME (Identity Theft!).

Next week I'll be stuck attending school with a spiteful, lip-gloss-addicted IDENTITY THIEF!

# THE COMPLICATION: SUNDAY NIGHT

Yesterday my  
parents surprised  
me with a NEW  
PUPPY!

Name: Daisy.

Breed: Golden  
Retriever.

Personality: Sweet,  
happy, wiggly bundle  
of energy.

I LOVE her SO much  
I'm thinking about  
making a designer  
fragrance called  
PUPPY BREATH!!

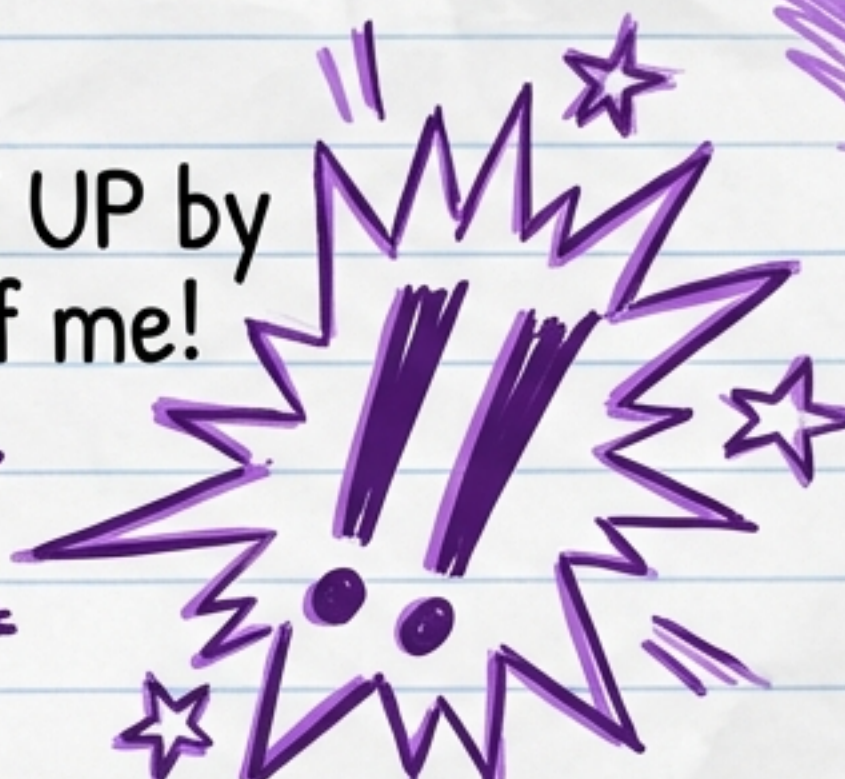

## REALITY CHECK: 3:45 A.M.

Problem: THAT DOG NEVER SLEEPS!

→ Every time I drifted off, she got bored and lonely.

Daisy decides to WAKE ME UP by SCARING the SNOT out of me!

zzZZZZ

I was being attacked by a FEROCIOUS FURBALL in the middle of the night.

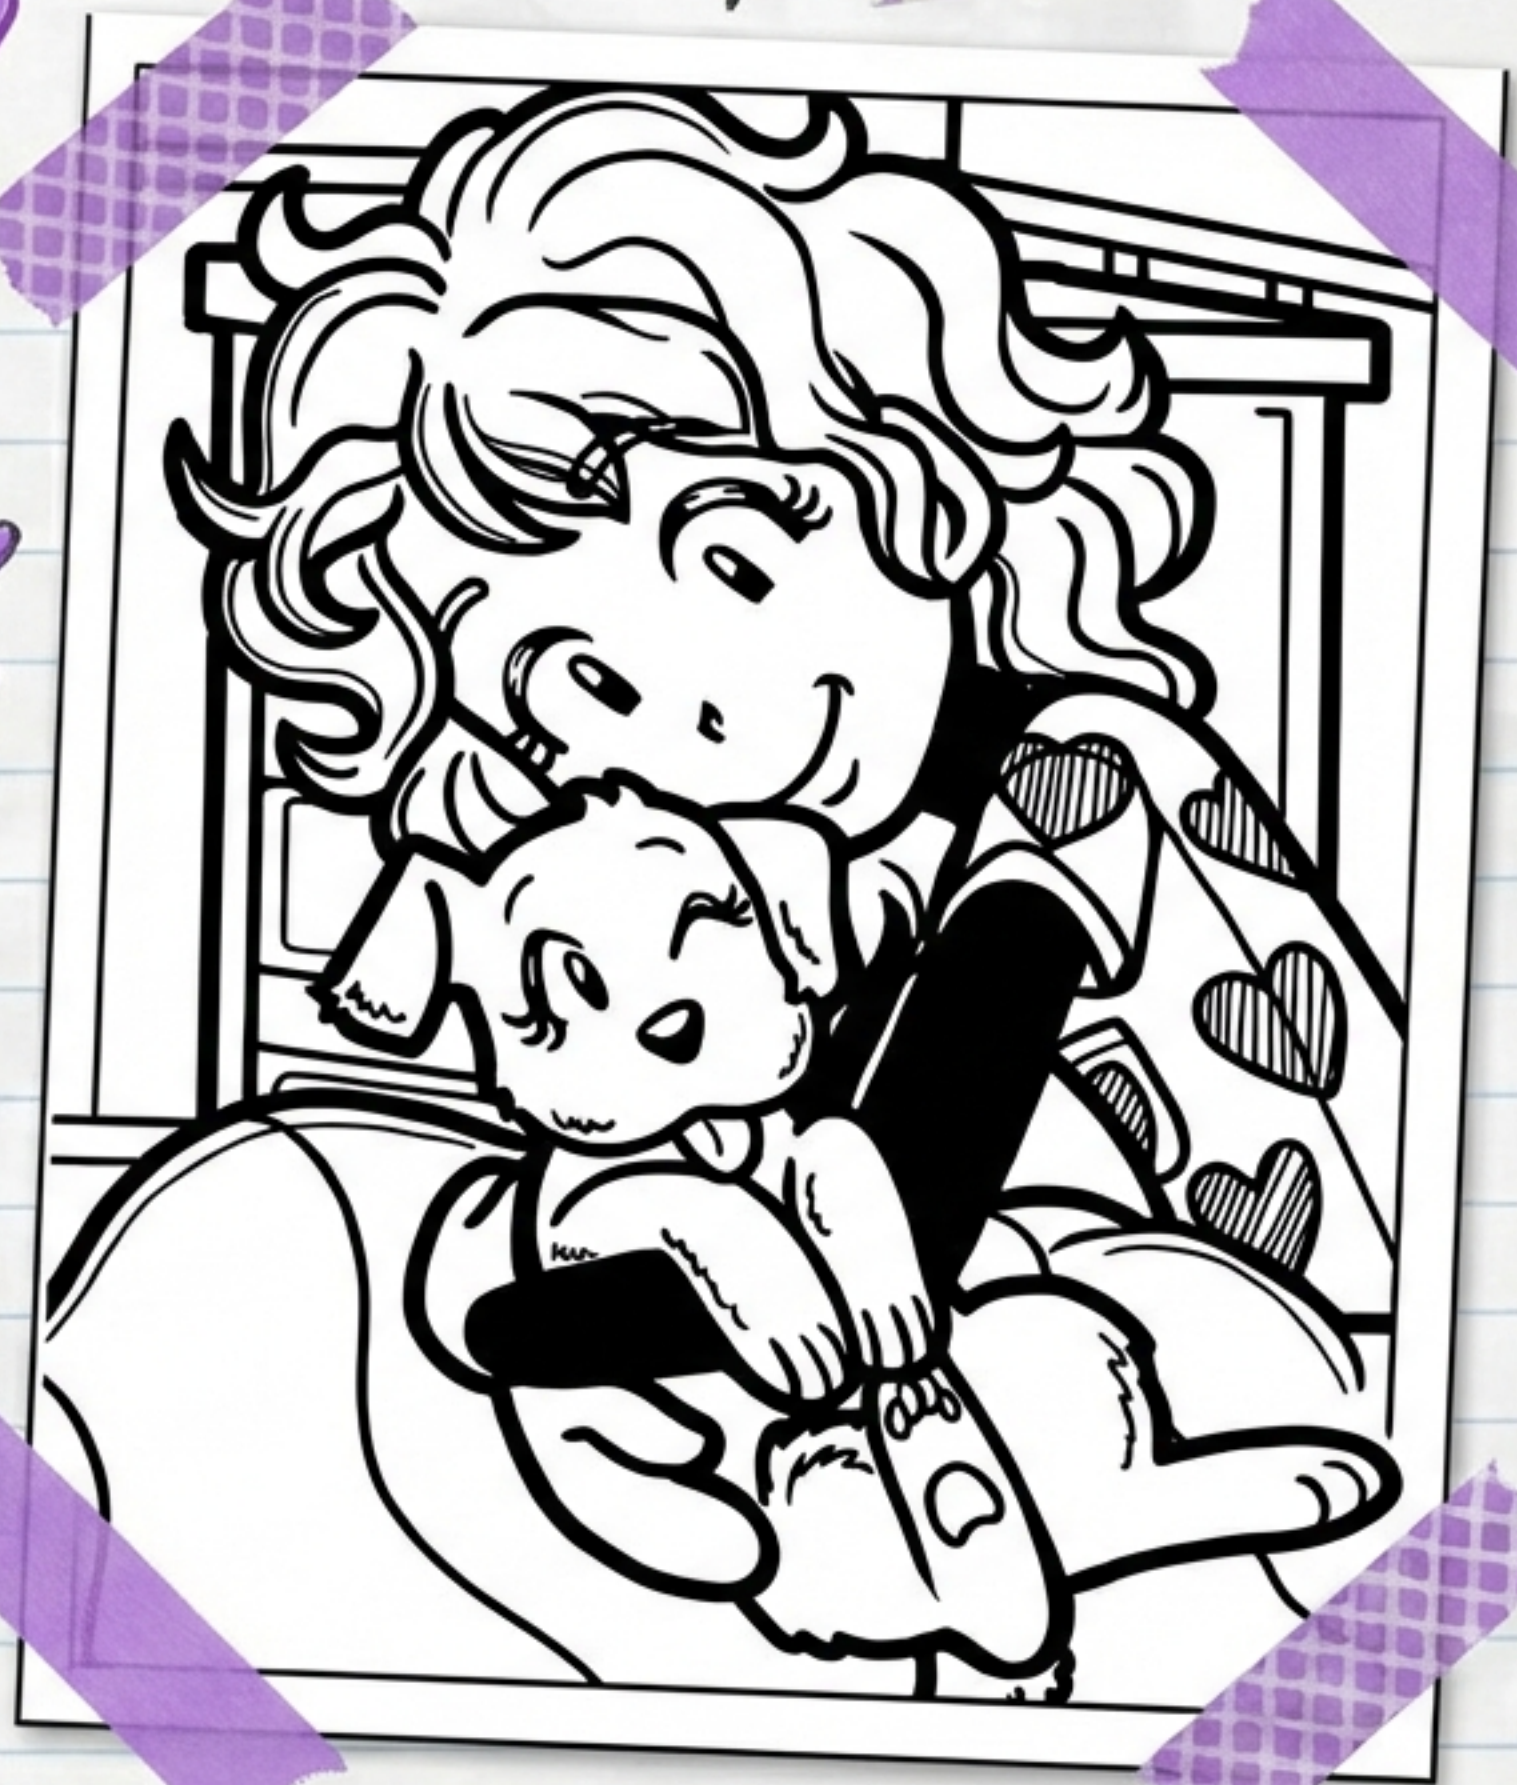

# THE PHYSICAL TOLL

OMG! I probably got LESS than seventeen minutes of sleep the ENTIRE night!

I am tired, grumpy, and currently SLEEPWALKING from class to class.

I'm almost too exhausted to even WORRY about Student Exchange Week.

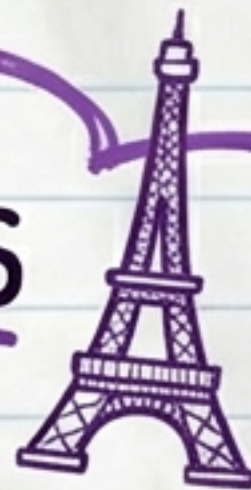

Almost.

# THE GREAT ESCAPE PLAN

I wish it were a REAL exchange program to PARIS (romantic city, the Louvre, masterpieces!).

The Brilliant Idea: Since I'm a library shelving assistant, I can use that as an EXCUSE.

The Plan: BEG the librarian, Mrs. Peach, to let me HELP OUT in the library during Student Exchange Week.

Conclusion: PROBLEM SOLVED! RIGHT?!

**WRONG. SO WRONG.**

FROM THE OFFICE OF PRINCIPAL WINSTON

**The Ultimatum:**

1. Participation is MANDATORY to meet eighth-grade requirements.
2. Any student failing to participate will be one credit short.
3. The credit must be made up by attending SUMMER SCHOOL!

**Dilemma:** I hate the thought of a week  
with MacKenzie...  
but I hate Summer School ~~EVEN MORE!~~

**NO!**

# → MONDAY — 10:55 A.M. AT THE LOCKERS ←

Finally! We can get through this together!

OMG, Nikki! Guess what?! WE have the SAME school!

We're going to have a BLAST! Group hug!

Let me guess. The three of you are together? I got the same school too!

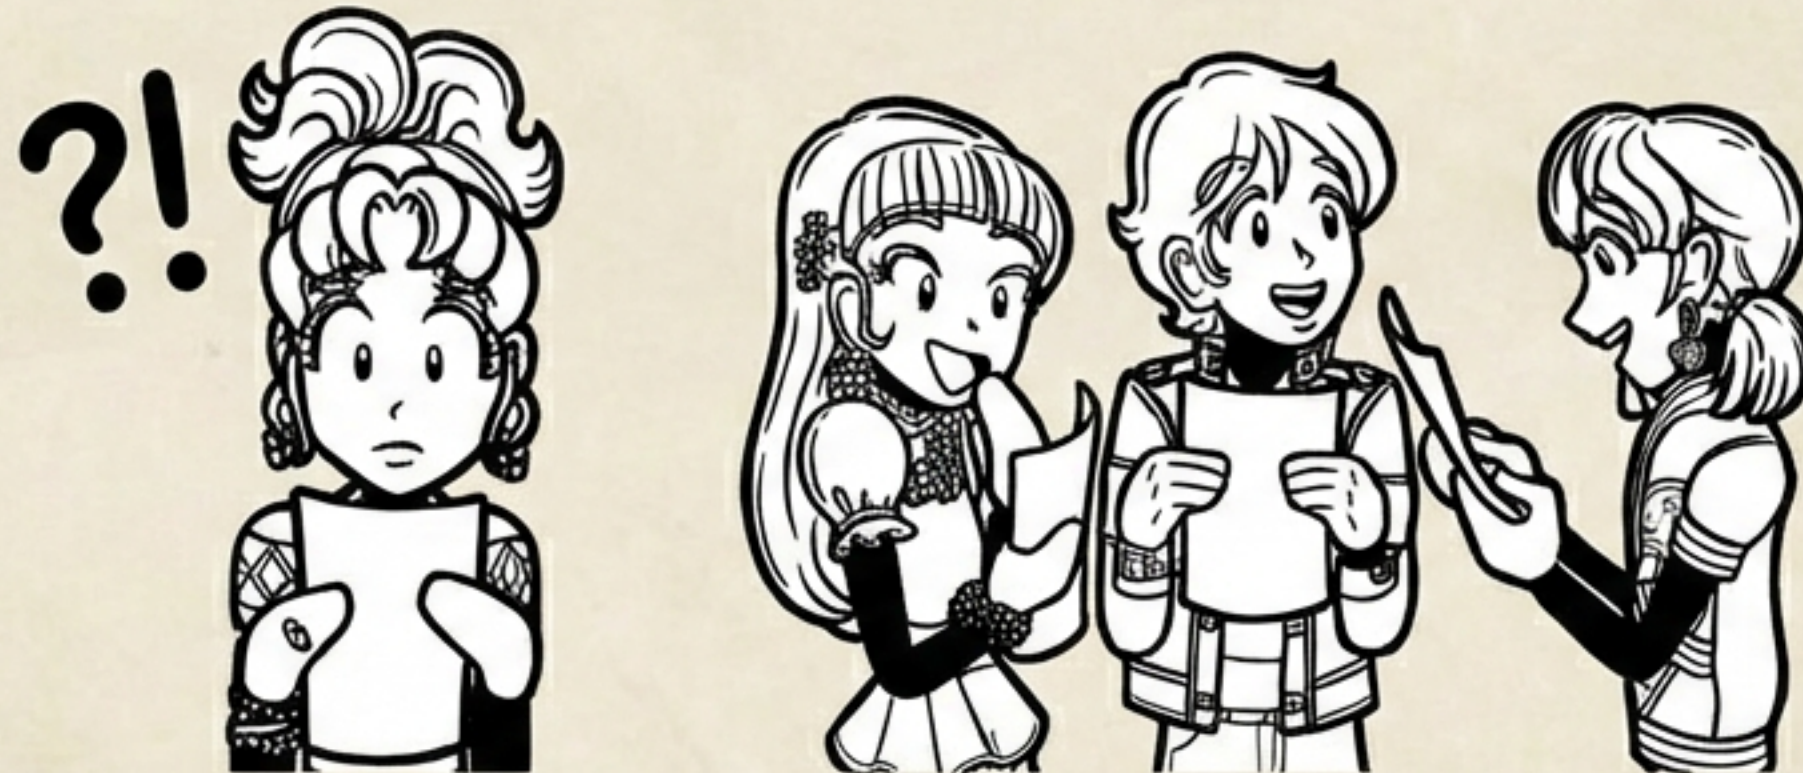

Chloe and Zoey rushed up, waving their letters.

# THE MISUNDERSTANDING

Nikki: "This is KA-RAY-ZEE! The FOUR of us assigned to—"

The Group: "**SOUTH RIDGE MIDDLE SCHOOL!!**"

Nikki: "WHAT?! Wait a minute... Are you sure?!"

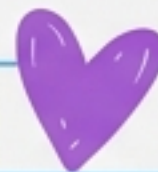

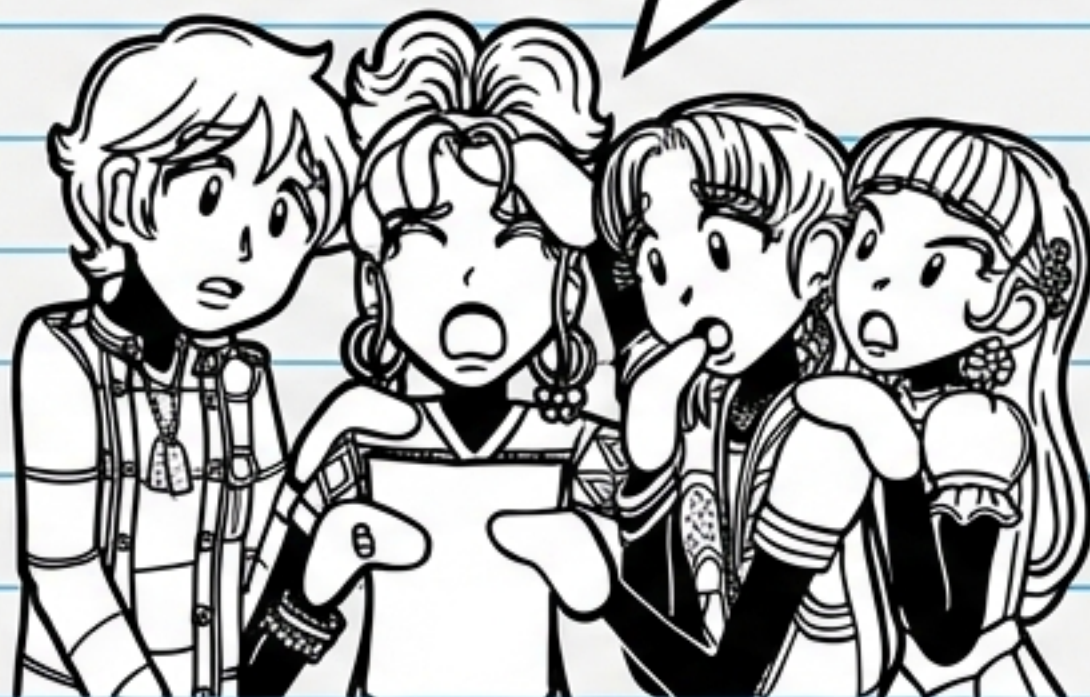

# THE HORRIBLE REVEAL

I'M GOING TO NORTH HAMPTON HILLS!!

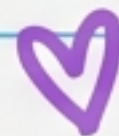

They **didn't hear me**. They were too busy celebrating hanging out with Brandon's friend Max Crumbly.

I felt like a GIANT BUCKET OF PUKE.

The Reaction:

- Chloe: "That's TERRIBLE!"
- Zoey: "You POOR thing!"
- Brandon: "What CRUDDY luck!"

# TOTAL MELTDOWN

OMG! I was so frustrated  
I wanted to SCREAM!!

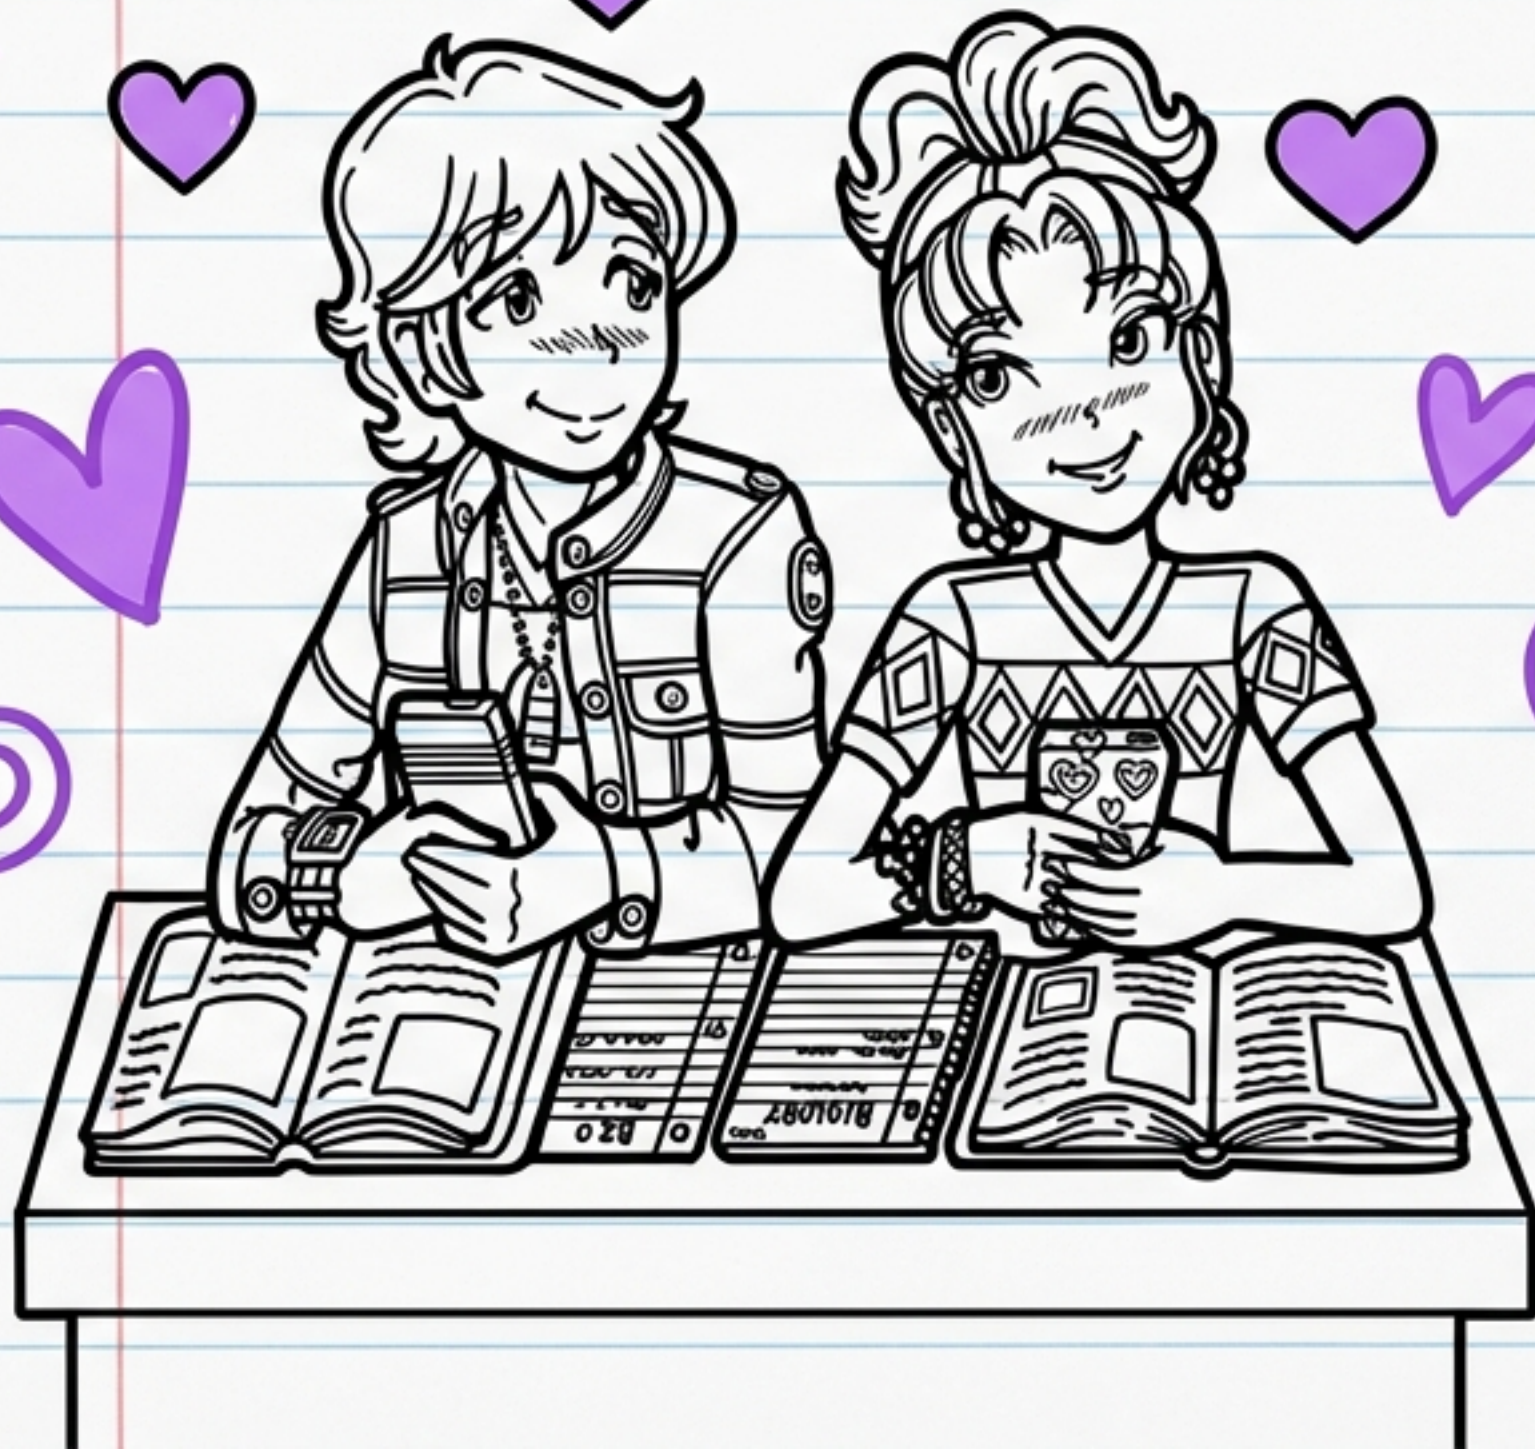

There is NO WAY I'm attending  
school with MacKenzie just to be  
publicly humiliated. AGAIN!!

I'd rather poke my eye out  
with a dirty stick than be  
in this STUPID program!

Complete.  
Meltdown.

# MONDAY — 1:45 P.M. BIOLOGY CLASS

Brandon: R U OK?

Nikki: Just a little bummed out about the NHH fiasco.

Brandon: How about I talk 2 Principal Winston about us switching schools? U go to South Ridge with BFFs. I go 2 Hogwarts.

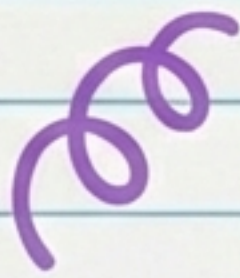

Nikki: R U kidding me? U would do that?!

Brandon: Sure! 4 a friend.

# THE REALITY CHECK

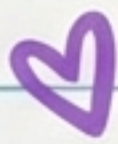

It was sweet... BUT.

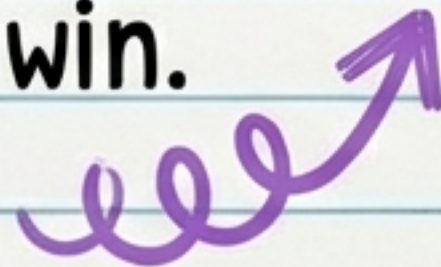

Mackenzie has an even bigger CRUSH on Brandon than I do!

She would happily give up lip gloss for the rest of her life to spend a week with him at NHH.

Decision: Sorry, girlfriend! That is so NOT happening! I can't let her win.

# MONDAY — 7:00 P.M. AT HOME

I survived the school day. Barely.  
Arrived home to find my bratty  
little sister, Brianna, in the kitchen.

The Mission: She is trying to earn  
a Girl Scout cooking badge.

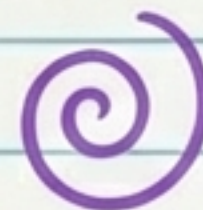

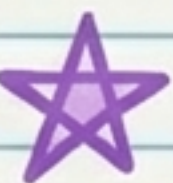

The Track Record: Everything she  
makes turns out AWFUL.

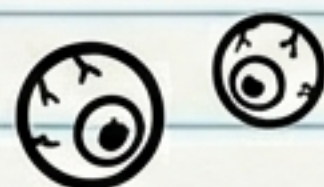

# ♡ BRIANNA'S "MASTERPIECE" ~

Burnt Chocolate  
Pudding

Macaroni

Several eyeballs  
(candy? hopefully?)

Secret Ingredient:  
Whole EGGS for  
crunchy texture.  
(She didn't crack them.  
She just tossed them in)

Result: A biohazard.

# POISON CONTROL INTERVENTION

Brianna returned from her troop meeting looking devastated.

Nikki: "Did they eat it?"

Brianna: "No. The troop leader contacted Poison Control."

The Verdict: They were advised to dig a deep hole in the woods and BURY the leftovers so no human or animal would accidentally eat it.

# A NEW PERSPECTIVE

## THE NEMESIS

★ MacKenzie Hollister

## THE PUDDING

Brianna's Toxic Sludge

♥ Brianna earned a 'Safety With Toxic Substances' badge instead of cooking. My life is a total DRAMAFEST.

BUT...

I realized something important. Spending a week with MacKenzie is terrible... but at least I didn't have to eat that pudding.

# BRING ON NORTH HAMPTON HILLS

I am sleep-deprived.

I am separated  
from my friends.

I am walking into  
the lion's den with a  
lip-gloss-wearing  
rattlesnake.

But I'm Nikki Maxwell.

★ Let the nightmare begin.
