

Your Next Great Escape

A curated guide to the season's most propulsive sci-fi,
dark thrillers, and swoon-worthy romances.

Feature Presentation: The Defining
Sci-Fi Thriller of the Decade.

THE FEATURE PRESENTATION

He is the sole survivor.
He has been asleep for
a very, very long time.
He is millions of miles
from home.

Ryland Grace wakes up with two
corpses for company and no
memory of his own name, let
alone his mission.

An Impossible Task. An Extinction-Level Threat.

As Ryland's memories fuzzily return, the terrifying reality sets in.
Humanity and Earth itself will perish if he fails.

Hurtling through space on a tiny ship, he must puzzle out an
impossible scientific mystery to save our species.

The clock is ticking, and the nearest human being is light-years away.
He has to do it all alone. Or does he?
